ACCORDING TO BIBLE LORE AN ELOHIM LEADER AND YAHWEH ILDABAOTH THE DEMIURGE ARE SENDING STRONG DELUSIONS TO MANKIND TODAY USING PROPHETS

THEY ARE NOT JESUS OR OUR HEAVENLY FATHER

According to 2 Thessalonians 2:11, the God of the Bible—referred to in this context as the LORD/God—sends a "strong delusion" (or "working of error") to those who refuse to love the truth and delight in wickedness. This act is a judicial, end-times judgment, allowing people to believe lies, such as the deception of the "man of lawlessness," as a consequence of their persistent rejection of the gospel. Facebook +5

- **Who sends it:** The text specifically attributes this act to **God** (often rendered as Jehovah, Elohim, or simply the Lord in translations).
- **Target Audience:** It is sent upon those who "perish" because they "did not believe the truth but had pleasure in unrighteousness".
- **Purpose:** To ensure that those who willfully rejected the truth are condemned, by allowing them to be fully convinced of falsehood.
- **Nature of the Delusion:** It is a "working of error" or "powerful delusion" that causes people to believe "the lie," often interpreted as the satanic deception of the Antichrist.
- **Context:** It occurs in the last days during the rise of the lawless one (Antichrist), as mentioned in 2 Thessalonians 2:9-12. Christianity Stack Exchange +6

GENERAL BASIC LORD GOD KNOWLEDGE CLASS 101

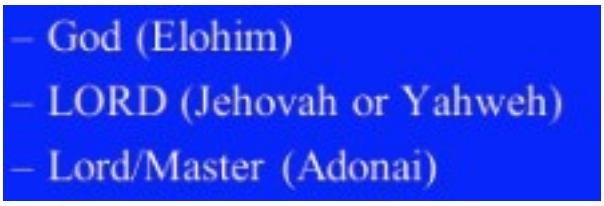
Lord, God, LORD, GOD, LORD God. etc.

Before we even start to read the Jewish and Roman Orthodox Catholic and Christian Church's (JROCCC) Bibles we have to first realize that all of the Old Testament refers to activities surrounding the Elohim gods NOT Our Heavenly Father or Jesus. The teachings of the Old Testament are the "OLD WINE." taught by people who worshipped ALIENS as gods. Yahweh Ildabaoth the Demiurge YHWH was one of the lesser Elohim but to the Jews he was their god.

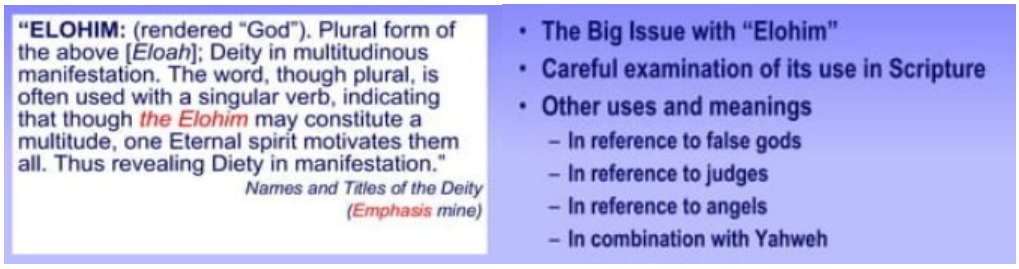
Those beliefs are THOUSANDS OF YEARS OLD. They existed long before Jesus visited our earth. Jesus did not show up on

earth until around 2000 years ago and when he came he taught his ''NEW WINE."

<u>THE REMNANT OR ELECT, LIKE MYSELF, EITHER KNOW THIS OR SUSPECT THIS TODAY</u>



The alien god of the Jews was Yahweh Ildabaoth the Demiurge



"ELOHIM: (rendered "God"). Plural form of the above [Eloah]; Deity in multitudinous manifestation. The word, though plural, is often used with a singular verb, indicating that though the Elohim may constitute a multitude, one Eternal spirit motivates them all. Thus revealing Diety in manifestation."

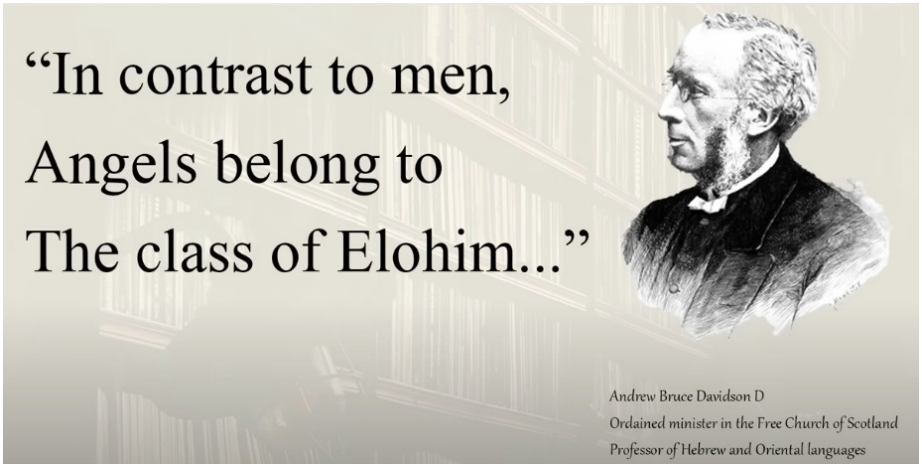
END TIME DELUSION OF MANKIND WILL INCLUDE ALIEN AKA ANGEL INTERVENTION INTO OUR WORLD



"In contrast to men,
Angels belong to
The class of Elohim..."
Andrew Bruce Davidson D

Professor of Hebrew and Oriental languages

THE APOSTLE PAUL REFERS TO JESUS AS THE ABSOLUTE SOVERIGN MASTER

"One Lord" (typically from 1 Corinthians 8:6 or Deuteronomy 6:4) signifies the absolute, unique sovereignty of Jesus Christ as the sole master and divine authority over creation, distinct from "many lords" or idols. It affirms monotheism, where the Father acts through the Son, who is the immediate Lord and Savior for believers. United Church of God +3

Key Aspects and Meanings:

- **Divine Identity:** It emphasizes Jesus' deity and role in creation, identifying Him as the "One Lord".
- **Absolute Authority:** "Lord" indicates "master," signifying Jesus's ownership over believers.
- **Synonyms/Related Terms:** Savior, Redeemer, Messiah, Son of God, Holy One, King of Kings, Prince of Peace, Jesus, Lamb of God.
- **Usage Context:** Often used in New Testament, particularly in 1 Corinthians 8:6 ("yet for us there is one God, the Father... and one Lord, Jesus Christ"), to distinguish Christian faith from pagan idol worship. United Church of God +3

BACKGROUND ABOUT THESES FLESH AND BLOOD ALIEN ELOHIM BY PAUL BIGLANO A VATICAN INTERPRETER

The Roman Catholic Church and the Protestant Churches ascribe to "God" these attributes:

"God" is Omnipotent - having unlimited power
"God" is Omniscient - having infinite knowledge
"God" is Omnipresent - being present everywhere
"God" is Omnibenevolent - being perfect goodness
"God" is Eternal - he lives forever
"God" is a Spiritual, Transcendent Being

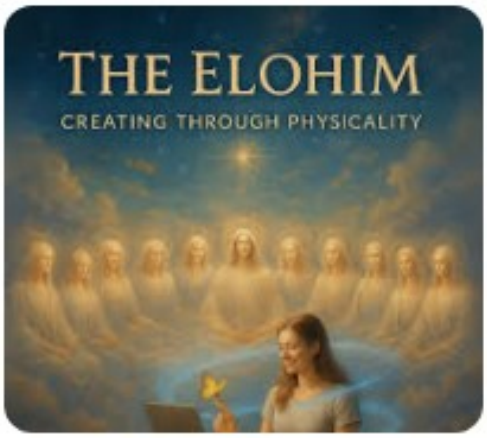
In his thorough analysis of the ancient Hebrew Masoretic text, Mr. Biglino has found that nowhere in the OLD TESTAMENT are the god or gods spoken about a reference to an Omnipotent, Omniscient and Eternal God.

The Old Testament speaks of a group of flesh and bones individuals, called the Elohim that were also known in

Mesopotamia as the Anunnaki. The word Elohim was translated as "God" both in the Catholic Bible, both in the King James version and they have been translated incorrectly over time in the ancient texts and then by those who later rewrote the texts in different languages.

3.- The Elohim

The Elohim were not a "God" but a group of flesh and boned individuals. This information is clearly written with absolute clarity in the original Hebrew Masoretic text of the Bible, which Christians DO NOT READ.



The meaning of Elohim is "The Shining Ones", "The Elevated Ones" or "The Powerful Ones".

The Elohim were certainly powerful but not omnipotent, they had advanced scientific knowledge and technology but they were not omniscient, they had an extended lifespan compared to humans but they were not Immortal, neither eternal.

If "God" is considered as a Spiritual, Transcendent, Omnipotent, Omniscient, Omnibenevolent, Eternal and Immortal Being, there is no trace of any such being within the original Masoretic text of the Bible that say that about the Elohim gods

4. - Yahweh was not a "God"

Mr. Biglino's findings reveal that Yahweh was simply one of this group of flesh and bones individuals called the Elohim. In the Old Testament it is clearly stated that Yahweh was himself was a flesh and boned individual. Yahweh was not even one of the most powerful Elohim. On the opposite, he was one of the less important and less powerful of the Elohim.

Yahweh was given a poor desert land and a Jewish Semite people to rule over by the Elohim leadership. He had to in corporate with them under his ideologies, which he did. He had to teach them to conquer other lands in order to expand their territories.

At the time of Moses (if he existed around 1400 BCE) the Hebrew language - was nonexistent: Hebrew as a language was formed four centuries later, at the time of King David.

In Deuteronomy (32: it is written that the ELYON - who is the Highest, leader of the Elohim - decided the allotment of the lands among the Elohim alien gods. The Elyon assigned to Yahweh the Jewish people in (Deut. 32:9-10). The land was described as "desert land, a howling waste land of a wilderness" Yahweh was assigned an unimportant people, which were scattered in a desert land, in a territory devoid of any value or interest

The Bible tells us in (Genesis 10:25) that the division of the lands among the Elohim happened at the time of Peleg, who was the son of Eber, Sem’s great grandson. While it is not easy to give a precise date, we could infer an approximate date between 3000 - 2500 BCE, before the time of the Deuteronomy Revisionists who turned the Jews into a monotheistic group under Yahweh Ildabaoth the Demiurge around 700 years before Jesus came to town to teach his NEW WINE..

From history we know that at that time there were well developed civilizations, such as the Egyptians, the Sumerians and the ancient Solutrean Indians in the Middle East that were not being ruled by the Jews. Yahweh was not assigned those people, those well developed civilizations in fertile lands, he was assigned a desert and barren land and a scattered, unimportant people who used misinformation, disinformation and lies to puff themselves up.

This is clear evidence that Yahweh was one of the less important and less powerful of the Elohim. He was also known as the son of Sophia Pistis, who used some sort of genetic engineering to create him by herself. She later repented and asked for forgiveness. She also appears to have been a FALLEN ELOHIM ALIEN aka ANGEL.

5. - Even "God" dies.

In the original Hebrew Masoretic text of the Bible it is written in clear words that even the Elohim die. (Psalm 82, 83)

The Elohim aliens (were mistranslated as "God" or as "the gods" in the modern Catholic and Protestant Bibles.

6. - The "Angels"

The term “Angel” comes from the Greek word “Aggelos” which means “Messengers who Herald”. In Greek term “Aggelos” had no spiritual meaning originally. They were part spirit beings but were not spiritual in the same sense that Jesus was.

Theologians and Church Fathers falsely claimed that the “Angels” are spiritual beings with no material body, who take visible appearance only when needed, they have the role of intermediaries between the Gods and humans. Theologians wrote that the Elohim lead god give these “Alien Angels” the duty of either punishing or helping humans.

In the original text of the Bible, the Malakhim were translated as “Angels." They are clearly described as flesh and boned individuals, who sat talked and ate as were the Elohim. In the Bible it is written that the Malakhim they also get tired, they sweat, they get dirty and they even need to wash themselves.

What kind of alien technology was used to nuke Soddom and Gammorah

(THE) God's Destruction of Sodom and Gomorrah

https://www.youtube.com/watch?v=BHw2scGABeM

This is written in clear words in the passage of Abraham

when he met with two alien Malakhim and Yahweh in [Genesis 18], Next there was a meeting of the same two Malakhim aliens with Lot in Sodom, right before its destruction [Genesis 19]. These aliens were defiantly those who destroyed early civilizations. These same aliens can easily be found in the Book of Tobit and in the Book of Zechariah, and in many more Biblical passages.

The meaning of the word Malakhim is translated as "The Guardians", "The Watchers", "The Messengers" - of the orders of the Elohim

The Malakhim of the Bible have a strong correlation with the Igigi of the ancient Sumerian tablets. They had the same function also. The Igigi were also described as "The Guardians", "The Watchers", "The Messengers".

Usage Examples in Scripture and Prophecy

- **The Antichrist's Deception:** The "man of lawlessness" performs counterfeit signs and wonders, causing many to believe in a false messiah.
- **Widespread Apostasy:** A mass falling away from Christian faith, where people prefer comfortable lies over biblical truths.
- **Prophetic Misinterpretation:** Sensationalist, non-biblical predictions about the exact timing of Christ's return (e.g., failed rapture dates) that cause confusion.
- **Global Deception:** The "dragon" or Satan deceiving the whole world, leading to a worldwide, hardened rejection of God. GotQuestions.org +3

Synonyms and Related Concepts

- **The Great Deception**
- **The Lie**
- **Apostasy** (or "the falling away")
- **Seduced by Spirits/Doctrines of Devils**
- **The Great Tribulation** GotQuestions.org +4

This state is described as a consequence of choosing wickedness, where individuals are, in effect, given over to the deceptions they preferred.

Key Details About the Igigi

- **Role:** Often described as divine laborers or "Watchers," they were tasked with maintaining the earth and digging waterways.
- **Rebellion:** Tired of the "excessive toil" imposed by the Anunnaki (specifically Enlil), the Igigi rebelled, burning their tools and surrounding Enlil's house.
- **Creation of Humanity:** To solve the labor crisis caused by the rebellion, the god Enki proposed creating humans to take over the burden, according to the Atra-Hasis epic.
- **Relationship to Anunnaki:** While the Anunnaki were considered, in later traditions, to be earth/underworld deities, the Igigi were associated with the heavens. Some interpretations suggest they were a separate, subordinate group of gods.
- **Alternative Theory:** In some, non-mainstream "ancient astronaut" theories, they are described as genetically engineered, "half-man, half-beast" servants, or even extraterrestrial entities. Wikipedia +7

Why did the Bible translators distort the text and the attributes of the Malakhim?

Why did they delete or twisted the concrete, physical attributes of the Malakhim that so clearly described in the original Biblical text?

Did the Bible translators and Theologians have the need to portray these Fallen Elohim “Angels” with Jesus and Our Heavenly Father who was considered to be a monotheistic spiritual and transcendent “God” who along with Jesus actually created the WATCHERS. The Fallen Elohim Watchers were a fallen group of Jesus Watchers who hated mankind and were jealous of us.

Why is it that we have never been told that aliens are hybrids made of flesh and bones? Why is the subject so secret? It turns out that the plot is unfolding today as mankind is being presented with the Elohim gods by these false prophets who worship them and who are being mind gamed by them.

7.- The Hebrew Language

As written above, at the time of Moses, the Hebrew language did not exist, and Moses (if he actually existed) was not speaking in Hebrew, yet the Bible was written in Hebrew. Moses actually spoke in some other language which my have been Egyptian. He was also associated with Egypt where he was supposedly sent in a basket as a baby to be safe from those who were killing babies. The Hebrew language came into existence 4 centuries after the life and times of Moses, at the time of King David. Whoever wrote this story wrote it down hundreds of years later.

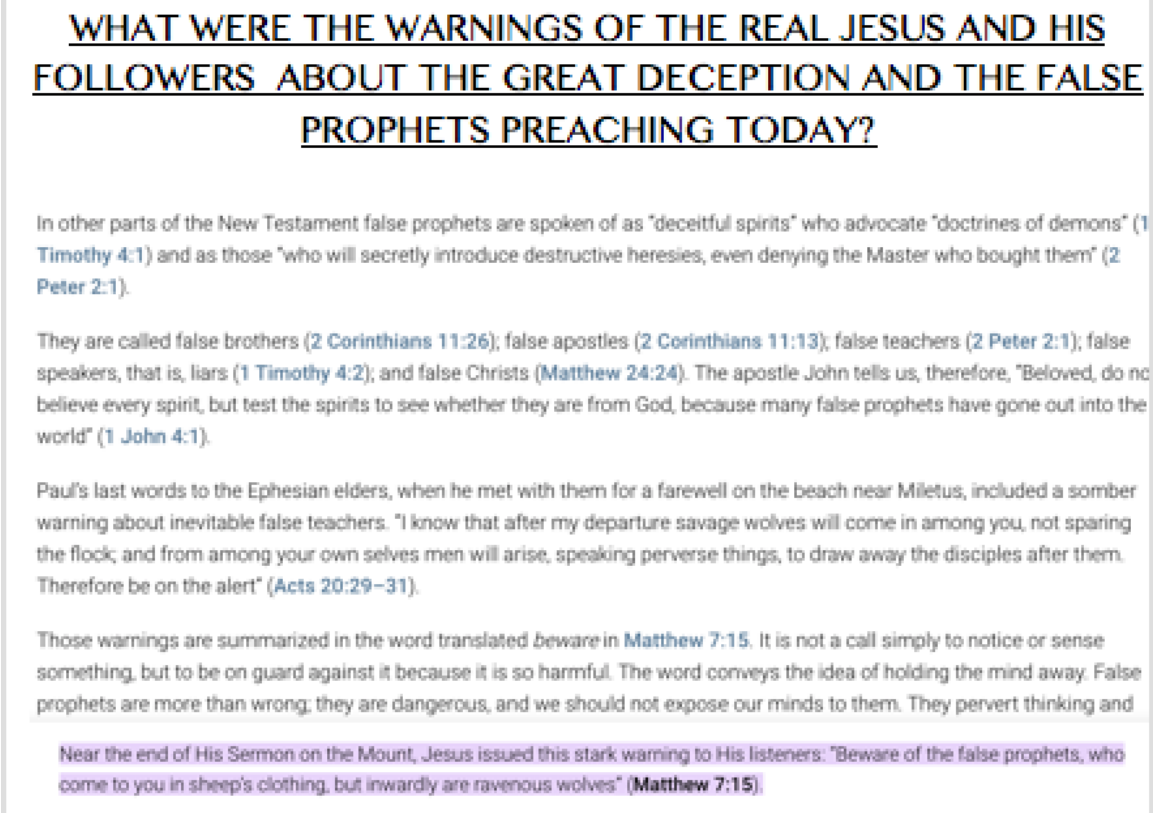
NORDIC REPTILIAN AND GRAY ALIENS ASSOCIATED WITH THE JROCCC AND THE "LAST CARD" THAT WILL BE USED ON US TO INSTALL THE NEW WORLD ORDER

WARNINGS FROM JESUS ABOUT THESE FALSE PROPHETS AND THEIR DEVILS AND DEMONS



WHAT WERE THE WARNINGS OF THE REAL JESUS AND HIS FOLLOWERS ABOUT THE GREAT DECEPTION AND THE FALSE PROPHETS PREACHING TODAY?

In other parts of the New Testament false prophets are spoken of as "deceitful spirits" who advocate "doctrines of demons" (1 Timothy 4:1) and as those "who will secretly introduce destructive heresies, even denying the Master who bought them" (2 Peter 2:1).

They are called false brothers (2 Corinthians 11:26); false apostles (2 Corinthians 11:13); false teachers (2 Peter 2:1); false speakers, that is, liars (1 Timothy 4:2); and false Christs (Matthew 24:24). The apostle John tells us, therefore, "Beloved, do nc believe every spirit, but test the spirits to see whether they are from God, because many false prophets have gone out into the world" (1 John 4:1).

Paul's last words to the Ephesian elders, when he met with them for a farewell on the beach near Miletus, included a somber warning about inevitable false teachers. "I know that after my departure savage wolves will come in among you, not sparing the flock; and from among your own selves men will arise, speaking perverse things, to draw away the disciples after them. Therefore be on the alert" (Acts 20:29–31).

Those warnings are summarized in the word translated *beware* in Matthew 7:15. It is not a call simply to notice or sense something, but to be on guard against it because it is so harmful. The word conveys the idea of holding the mind away. False prophets are more than wrong; they are dangerous, and we should not expose our minds to them. They pervert thinking and

Near the end of His Sermon on the Mount, Jesus issued this stark warning to His listeners: "Beware of the false prophets, who come to you in sheep's clothing, but inwardly are ravenous wolves" (**Matthew 7:15**).

Yes, Jesus explicitly warned against false religions and false prophets including the Jewish, Roman Orthodox Catholic, and Christian Churches (JROCCC). In Matthew 7:15-23, Jesus tells his followers to "Beware of false prophets, who come to you in sheep's clothing but inwardly are ravenous wolves". He emphasizes that these individuals may appear harmless but their actions reveal their true, destructive nature. Jesus also criticizes the Jews and the Pharisees, highlighting their hypocrisy that focus on outward appearances and blood sacrifices etc., over having a genuine faith and a personal private relationship with him instead.

I do not trust the JROCCC today or anyone who promotes their misinformation, disinformation and lies. What I am discovering is how the End Time Deceptions are playing out today.

LET'S NOW DIG INTO BIBLE PROPHECIES THEMSELVES AND WHO INSPIRED THEM - BUYERS BEWARE!

IT IS BECOMING MORE OBVIOUS TO ME THAT ALIENS HAVE INSPIRED BIBLE PROPHECIES NOT JESUS who seemed to share some information but stepped back. He did not spend time refering to these false prophecies except to describe the prophets as WOLVES IN SHEEPS CLOTHING.

When I ask myself if the WATCHERS or FALLEN ELOHIM WATCHERS inspired these prophecies both today and in the past what I discover is that we really don't know because we have been lied to for so long as we have also used the Bible as a source for them which is full of misinformation, disinformation and lies.

Daniels prophecies are full of symbolisms of who these players are today. The symbols seem quite accurate.

Based on the Old Testament (Daniel 1:3-6), Daniel belonged to the tribe of **Judah**. He was of noble or royal descent, often believed to be from the Davidic line, and was taken from Jerusalem to Babylon as a young, royal youth during Nebuchadnezzar's siege in 605 B.C.. Wikipedia +6

Key details about Daniel's bloodline include:

- **Royal/Noble Heritage:** Daniel was likely a direct descendant of King David or the royal family of Judah.
- **Judahite Descent:** He is confirmed to be from the Southern Kingdom's tribe of Judah.
- **Captive Nobility:** The scripture indicates he was of royal bloodline and in line with noblemen taken for service. Quora +5

He was taken into captivity alongside three other young men of similar high standing (Shadrach, Meshach, and Abed-nego). Wikipedia +1

This tells us that Daniel seems to be a bloodline JUDAHITE descendent of the Tribe of Dan but not necessarily a bad guy. The Tuatha De Dan were also related to the Canaanites, Cain and Satanic ideologies that migrated into Judah after the ORIGINAL NORTHERN SCANDINAVIAN WHITE TRIBES were taken into captivity in 722 BC. Two hundred years later these dark hair dark eyed, red hair green eyed white tribes living in Judah were also removed from Israel and followed similar migration patterns of the Scandinavian Original tribes into Europe where they became the British Merovingian and other blue blood monarchies.

The ORIGINAL NORTHERN TRIBES were the Naphtali the Nazarenes, the Galileans the Apiru etc., who were gentiles. THEY WERE COMPLETELY DIFFERENT B LOODLINES. They appear to be the tribes Jesus spoke of who he missed because most of them were gone by the time Jesus CAME TO TOWN.

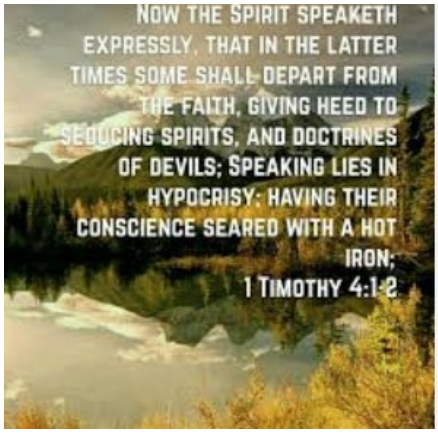
This data leads us to believe that the entities who gave Daniel these images were the Elohim alien gods. The symbols tell us that these evil alien human hybrid bloodlines would rule our world until a stone comes in to destroy the feet of this evil movement blowing it into smithereens. That stone is not identified but is obviously Jesus who comes in today to destroy their evil global Nazi leopard DEEP STATE regimes. This tells us that PROPHECY WAS CREATED TO WARN THESE EVIL BLOODLINE MOVEMENTS to prepare for the fight that is coming **there** way today which also seems to be happening under Trump.

Revelations seems to be another Zionist DEEP STATE WARNING that is associated with the Jews etc.

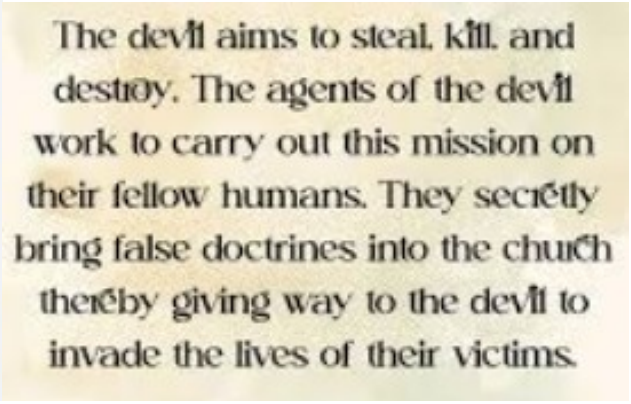
These prophecies seem to follow the Church Age to what is referred to as the End of the various ages which is the TIME OF JUDGEMENT for those who are evil.

MODERN DAY PROPHETS LIKE JULIE GREEN SEEM TO BE PROGRAMMED ALIEN PUPPETS THAT ARE BEING MIND GAMED WITH DATA TO LEAD US ASTRAY

These prophets not only lead us stray as they quote Bible verses which are also corrupted data but they are PROMOTING THE ALIEN ELOHIM ideologies which seem to be associated with the DEAD IN CHRIST who will be whisked away by aliens who engage in the "catching up" of the people aka in a massive alien abduction. This happens just before Jesus returns according to the prophetic timelines.



NOW THE SPIRIT SPEAKETH EXPRESSLY, THAT IN THE LATTER TIMES SOME SHALL DEPART FROM THE FAITH, GIVING HEED TO SEDUCING SPIRITS, AND DOCTRINES OF DEVILS; SPEAKING LIES IN HYPOCRISY; HAVING THEIR CONSCIENCE SEARED WITH A HOT IRON;
1 TIMOTHY 4:1-2



The devil aims to steal, kill, and destroy. The agents of the devil work to carry out this mission on their fellow humans. They secretly bring false doctrines into the church thereby giving way to the devil to invade the lives of their victims.

WHY DOES JESUS COME TO CATCH UP SUCH A TINY GROUP SOON?

It appears that, according to Jesus, he will remove **his remnant** that have been loyal to him where the JROCCC and the Christian Church has been promoting the DOCTRINES OF DEVILS AND DEMONS instead.

You see the JROCCC is a PIOUS FRAUD and so are their Bibles. People do not realize that as the JROCCC was being formed, they destroyed the ORIGINAL CHRISTIAN MOVEMENT and the ORIGINAL BIBLES. All we have today are contaminted scriptures with false teachings in them. We

don't even have the original manuscript of these false teachings all we have are snippets of copies of copies.

The prophets of today are PROMOTING THESE FALSE DOCTRINES OF ALIENS or what are referred to as the "DOCTRINES OF DEVILS and DEMONS." instead of what Jesus taught.

The data they preach is NOT ACCURATE nor are the scriptures they promote.
